

## Reset. Restore. Reconnect. 2023

*A meditation experience for everyone.*

Dear Supporter,

As the first sun of 2023 settles over Milwaukee, will you be part of a momentous launch of the largest collective meditation effort in Southeastern Wisconsin?

Friends and strangers of a variety of ages, races, and lifestyles will sit together with aligned intentions. A vibrational frequency will spread through the building and surrounding community, leaving a feeling of deep connection in minds and hearts. An entire theater will be full of people from different walks of life, who recognize peace must start from within oneself. The experience will exemplify true health and wellbeing.

Being part of Meditate Milwaukee's 2,400-person New Year's Day gathering at the Riverside Theater will differentiate your organization as a leader that is defining what health and care in a community means.

According to a new report from the CDC, meditation is the fastest growing health trend in America.

After years of isolation, there is a demand for connection and a prioritization of self-care and mental wellness. Let your customers know that you're a supporter on the leading edge of a trend that is rapidly growing. The New Year's Day venue is made possible through the generosity of The Pabst Theater Group. Please join us with a sponsorship commitment that will help fund the costs associated with producing and promoting this free event. Subsequent monthly sessions will be held at the Sojourner Family Peace Center throughout 2023.

Attached please find a flyer and outline of sponsorship levels and benefits.

### **Mission:**

Meditate Milwaukee exists to strengthen our community by creating an experience of inclusion, unity and connection through guided group meditation. Participation is open to all, regardless of religion, race, creed, value system, physical ability, sexual preference, political affiliation, gender, age, socioeconomic status or other.

**Vision:**

Through each individual's participation in Meditate Milwaukee guided group meditation, we make an investment both in ourselves and the betterment of our community as a whole, overcoming differences and separateness to create absolute oneness. As we meditate together, our community experiences greater peace, compassion, and tolerance.

Meditate Milwaukee is an offsite program of The Blue Lotus Center, a registered 501(c)3 non-profit.

Thank you for your consideration of sponsorship. Please reach out if you have questions, referrals, or requests for information.

With gratitude,

Kaita Bliffert and Traci Schwartz  
Co-creators of Meditate Milwaukee
